TACTICAL

PT750 SELF LIFTING STRETCHER

AIR
POWER

LIGHTEST in the Industry (100 lbs. complete)

FASTEST – 2 Seconds Lift and Lower

SIMPLE – Air Power Eliminates:

- Battery chargers
- Fire hazard due to short circuit
- Electric wiring
- Electric motors
- Hydraulic oil leaks
- Hydraulic hose failure
- Hydraulic oil filters/changes

MOST ECONOMICAL

- Lowest purchase cost
- No mandatory maintenance cost
- No periodic battery replacement

EXCLUSIVE CUSHIONED AIR RIDE™

for Patient Comfort

**AND ALL THESE
ADDED BENEFITS**

- Patient can be raised for treatment during transport and for easier intubation and easier IV access
- Easiest cleaning and decontamination
- Mounting system air tank (4500 PSI), mattress and belts included in price — no extras to buy
- Two wheel brakes standard
- Wheels lifted to ambulance deck height — no extra lift required
- Lifting injury risk reduced
- Complements personnel with differing degrees of size and strength
- Extend careers, ease recruiting, increase personnel retention
